

1 I am committed to an active pursuit of God's glory in all I am and do as I serve Him.

2 I am seeking to deepen my biblical grasp of the character and works of God so that my own worship of Him might become richer, and so that I may be better able to paint a compelling picture of Him to others as I lead.

3 I desire to be a servant leader who seeks to be an example to others, as my life and service are increasingly conformed to biblical standards of godliness.

4 I desire to work gladly as part of the body of Christ in Glenabbey, fostering a pastoral heart of love for the people I'm leading and serving, and serving willingly under the authority of the elders.

5 I am committed to the ongoing development of my skills, both in leadership and music, that I might better serve others and bring glory to God.
