

Bob Kauflin is a songwriter, arranger and director of worship development for Sovereign Grace Ministries.

I have personally found this book hugely helpful in enabling me to understand the role we play in leading our church communities to lift their eyes to God in worship.

Here are some other thoughts on the book:

Bob loves God, values theology, and cares about people. This mix is found throughout this wonderful and helpful book. *Worship Matters* will inspire you as a worshipper and spur you on as a leader of worship.

MATT REDMAN

Bob's approach is humble, yet authoritative; comprehensive, yet inspirational. And if you take his gentle but clear teaching onboard, it will help make you fully equipped in mind, heart, and spirit to lead others in worship. I wholeheartedly recommend it.

STUART TOWNEND

Bob Kauflin is teaching a new generation to take corporate worship seriously in a fashion that is simultaneously biblically faithful and addressing today's culture.
